Add a Coffee Spot to your Space!

Staff need somewhere to recharge!

Give your Staff Tearoom a new look!

Make it inviting – however small!

Modular WallSpace – Teapoint or Coffee Spot

- Every Office space needs to have a Kitchen or at least somewhere for a drinking fountain – why not make it an inspirational space, where staff feel comfortable and can go to get 'refreshed'. Make this a space that looks inviting!
- Agile WallSpace units can be retro-fitted to accommodate Water, Waste, Instant Hotwater taps, Shelving for supplies, Wall cupboards for your Plates, Bowls and Cups & Saucers.
- With a vast array of finishes, coupled with Laminate or Stone tops, you can create a space that staff feel good in.
- For other options see the [Agile Breakout Wall](#), [Agile Utility Wall](#), [Agile Snuggle Wall](#), [Agile Media Stor](#), [Agile Teapoint](#)

Fully Modular – build to suit your space!
