DESCRIPTION

This compact unit can serve as a utility table wherever you need it or as a stand-up work surface for tablet or laptop. Simple gas lift height adjustment quickly converts from sitting to standing position with 365mm of smooth adjustment.

It is also the ideal touchdown workstation for your mobile agile workforce, quickly adjusting to the ideal height for a range of different users or perhaps you may want to use it beside an existing desk to provide sit-stand adjustable without buying a whole new workstation. Helsinki fits under most desks and rolls out to adjust up quickly and simply, or use it beside your desk as a desk return to provide extra work area.

- ▶ Sit to Stand Adjustability
- ▶ Quick and easy gas height adjustment
- ▶ Twin wheel castors lockable
- ▶ Shark nose edge
- ▶ Sleek square lines for nesting
- ▶ Great value for money
