AGILE MEDIA WALLSPACE

DESCRIPTION

► Storage in any workspace – let alone the boardroom - is generally at a premium. Why not consolidate it all into one place? Our Modular Storage Wall can be solid fitted or be freestanding – used as a room divider, in an open office layout.

► Being fully modular means that each double door module can be adapted to house most things from AV equipment thru to company award trophies in display shelves etc

► Use Media Modular Storage Wall for:
  · Brochure & marketing material storage
  · House the server and AV equipment
  · Sample storage
  · Presentation equipment
  · Uniform stock storage
  · Teachers resources
  · Options are endless

"Use graphics on the doors to create mood!"

"Media & storage in one...space!"

"Use it for display with open shelves!"
