AGILE WAVE SCREEN- CURVED
ARD-WAVE-CUR-800-600-BR

agile-xtra.com

DESCRIPTION

- Create stylish privacy in seconds with the new modular screen system.
- Made from a light bronze tinted ribbed polycarbonate, filtered light is able to past through to brighten work areas but still provides functional privacy.
- Now also available in clear as part of our social distancing range.
- Join as many straight and curved panels together to create flexible work spaces.
- These screens allow you to create not only straight and L shape partition but also unique wave, curved and even circular walls and room dividers.
- Strong magnets are incorporated into the frame which securely hold panels together without the need for any screws and totally eliminating any gaps.
- Powder coated steel frame
- Each screen weighs approximately 10kg.
