WORKSPACE CONCEPTS

PREMIUM ABOVE DESK POWER MODULE
AADPM-PREM-P02RU

DESCRIPTION

- Introducing CMS Electracoms I8 Series range of premier rails incorporating the latest slim line GPO facias.
- CMS has identified a need for power rails to be supplied as an 'off the shelf' item to meet with the increasing demands of the building industry.
- Stylish design solution for providing power and/or data to the workspace where it is easily accessible - above the worktop
- Range of standard configurations are available
- Standard Premier rail comes in a natural anodised finish with black or white end caps and sockets
- Standard Premier rail is supplied with 500mm 20amp flex cable, TAG softwiring coupler (compliant with AS/NZS61535.1:2003), 1 in 2 out
- T-piece and easy to fit desk mounting brackets
- Complete range of electrical protective devices, international socket types can be ordered with your power rail
- No visible fixing screws
- USB Charging (EMC Compliant)
