

POP-UP POWER MODULE
AIDPM-PUM-PU02RG15

DESCRIPTION

- ▶ CMS Pop-Up is an In-desk module that provides quick and practical access to Power and/or USB.
- ▶ The intuitive design combines the practical accessibility of an on-desk rail, whilst maintaining the clutter-free design of a recessed module.
- ▶ Purposed to compliment single workstations, hot-desks, or training rooms, the Pop-Up can be configured to deliver a combination of Power and/or USB outlets to suit any commercial office, hospitality or residential application.
- ▶ Spring mechanism enables touch to open/close
- ▶ Clean and unobtrusive profile when retracted
- ▶ Drops into a simple rectangular cut-out
- ▶ Compatible with a range of CMS outlet solutions
- ▶ Fully segregated for Power and/or USB
